- When asked “Tell us about your event” choose the appropriate activity from the drop-down list. We suggest either: a personal swim; a personal run / marathon; a personal walk; a personal cycle
- Choose your own event name e.g. Natasha’s Jacari 65 Challenge.
- You don’t need to include a date as the challenge lasts 65 days.
- You can personalise your fundraising page web address if you want to e.g. [www.justgiving.com/fundraising/NatashaJacari65Challenge](http://www.justgiving.com/fundraising/NatashaJacari65Challenge)

- e) If you are eligible, choose “yes my page can claim Gift Aid” - Jacari is a registered charity and this allows us to reclaim an extra 25% on UK tax-payer’s donations.

9. Click “Create your page” button.

10. Your fundraising page is now set up and should look like this:

## Edit your Just Giving page

There are a few things you may want to edit on your page. Click on the Edit your page button at the top of the page.

### 1. Page title

You may want to personalise this e.g. “Natasha’s Jacari 65 Challenge”.

### 2. Fundraising target

We have set this at £65 but you can increase it at any time!

### 3. Page summary

This is a very short explanation of why you are asking people to donate. For example you could write:

*I am running 65km*

*Because kids with EAL need extra tuition post-pandemic*

### 4. Your story

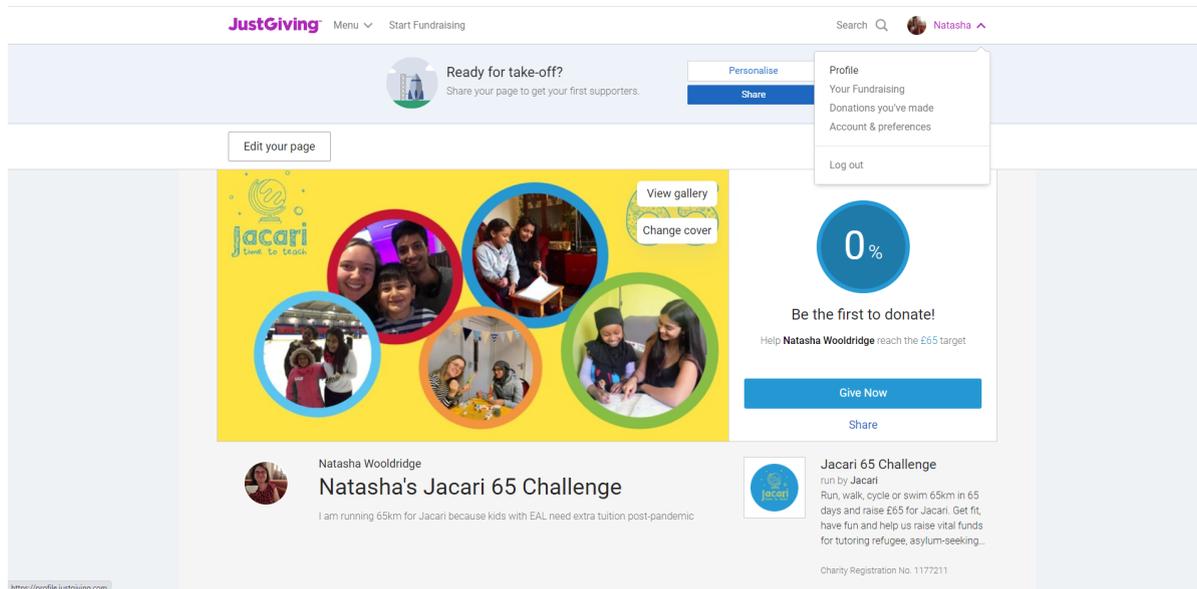

We’ve written about Jacari here but you may wish to personalise this so your friends and family understand your motivations for raising money for Jacari.

*For example: I volunteered for Jacari / am currently volunteering for Jacari and helping provide free tuition to refugee, asylum-seeking and migrant children with EAL is important to me. I want to get back into running and raise money for an important cause at the same time.*
