

# Jacari Bristol

## Winter Newsletter 2019

### A big THANK YOU from Jacari Bristol!

Thank you to all the volunteers, teachers, pupils, families and donors that have been a part of Jacari Bristol in 2019! Here are our highlights from the last few months:

Our amazing volunteers have delivered over 250 hours of fun, engaging lessons this term to the 93 pupils we are currently working with.

We now work with six schools across East Bristol, having established a new partnership with The Dolphin Primary School in September.

We ran 5 really well-attended 'meet-and-greet' events at our schools, where our new volunteers got to meet their tutees and families before starting their regular lessons.

We said goodbye to our Coordinator, Flo, and welcomed the wonderful Christelle who is working alongside Anna to make sure everything keeps running smoothly.

### Give the gift of learning this holiday season!

To keep providing our much-needed service, we need books and games for our volunteers to use and help them deliver really fun and impactful lessons.

This year, we've created a wishlist of resources for our library with prices starting from as little as £1.50! To join others in donating an invaluable resource for our library, search for Jacari Bristol on Giftster ([www.giftster.com](http://www.giftster.com))

A really simple way to make a difference to the children we work with; please share with friends and family, and give the gift of learning this Christmas!

We ran a really fun trip to Jungle Rumble Adventure Golf with 30 of our pupils, parents and volunteers. See some snaps below!:
