

Welcome to your Jacari First Lesson Workbook!

We hope you find it useful in your first few lessons, giving you activities that should help you get to know your Jacari pupil and find out what their strengths and weaknesses are.

Your pupil will have been sent a paper copy of this workbook, so you can both refer to it during your lessons.

Self-assessment sheet

Please take a screenshot of this or ask your pupil to send you a photo of it once completed, and then send it to the Coordinator with your pupil's name on it. We will send you the same sheet at the end of the year and it should help us all see what progress your pupil has made!
